Any student who does not abide by school/band policies will NOT be allowed to travel with the Band or may be subject to certain disciplinary procedures. All students will be traveling via school bus to and from football games. If the need arises that your child needs to ride home with a parent, a written note must be hand delivered to a director prior to the event or at the event. Itineraries for the games/events will be posted on CHARMS at least one week prior to departure. Students are expected to arrive ON TIME for all events. Students not arriving on time risk missing the bus. Appropriate dress will be established for the game prior to leaving and will be posted on CHARMS. Students not in proper uniform will not be allowed to perform. Students may also need money for vending/concessions before or during trips. In some cases, water is provided by the host bands. In the event that water is not provided, we will have water on hand for students. On hot days, water will be given frequently. Upon departure from an away event, your child will call/text you to let you know we are on our way back. Please pick up your child no later than 30 minutes after the buses have arrived from the event.
